

**TEXAS WOMAN'S UNIVERSITY
BIOLOGY DEPARTMENT
M.S. STUDENT COMMITTEE APPLICATION**

This application is for the formation of a Master's thesis committee in the Biology Department, Texas Woman's University, and should be completed by the student and submitted to the Biology Department office. Do not hand write; complete on-line, print and obtain signatures.

Student's Name: _____ Date: _____

Degree Sought and Area of study: _____

I have asked the following faculty members to serve on my committee and they all agreed to serve:

*Suggested Committee Members	
Major Advisor:	
_____	_____
	Signature
_____	_____
	Signature
_____	_____
	Signature
_____	_____
	Signature
_____	_____
	Signature

Only three committee members required *.

Departmental Chair Approval: _____ Date: _____
Signature

*If you are suggesting a committee member who is not a member of the Biology Department, please provide justification. You must have a minimum of three, including your advisor. Note that all three of your committee members must have the appropriate terminal degree (usually the Ph.D.). However, you can have approved adjunct faculty who lack the Ph.D. as committee members in addition to the three "regular" members. In this case, the minimum committee size is four.
