## TWU lists graduates for spring 2008

June 20, 2008 - DENTON — Texas Woman’s University held spring commencement ceremonies May 10, 2008 in Pioneer Hall on the university’s Denton campus.

TWU Chancellor and President Dr. Ann Stuart presided at each of the three ceremonies. Approximately 1,471 students — the largest graduating class in TWU history — received their degrees during the ceremony.

Graduates are listed below according to their hometowns. Students from states other than Texas are listed alphabetically by state at the end of the text.
