

The kids we help smile a lot. Fortunately, so do our staff.

"It's great to work with wonderful people, treat kids, and still have flexibility so I can spend time with my family." - Nancy Conte, OTR

We understand that you are looking for a career, not just a job. We offer opportunities for employee advancement, a great team atmosphere and we show our employees just how much we appreciate them.

*"Educate and Motivate in 2008 –
Power Tools to Build a Better You."*

This year, we are offering our employees all the tools they need to build a better self; from paid education to increased time off, TILT wireless devices to an in-house corporate wellness program that includes free classes, education and discounted YMCA memberships. We believe that healthy, happy employees are the foundation for a great business.

Here's some of the reasons our employees are always smiling:

- * Flexible work schedules
- * Paid time off
- * Company issued laptops/TILTS
- * Electronic medical records – no paper!
- * Continuing Education Classes on-site
 - * Corporate Wellness Program
 - * Professional fees reimbursements
 - * Medical/Dental Insurance
 - * Disability products
 - * Flexible spending accounts
 - * Discounted YMCA memberships
- * Community outreach through our non-profit
 - * Employee Resource Library
