Title: Graphic /Web Design Intern

Area of study/Major: Graphic Design

Flexible with students schedule? Yes, very

Times Needed to Work: Make your own schedule

Monday	Tuesday	Wednesday	Thursday	Friday

List skills/qualifications needed for this position:

We are currently seeking a Graphic Design / Web Design Intern. Their role will be to design and improve our web site along with other marketing material. The ideal candidate must have experience with HTML, CSS, and InDesign.

Must Have Skills:

Graphic Design

Advanced Proficiency in HTML, CSS, and In Design (Flash a plus)

Should be well-versed in cross-browser/cross-platform compatibility of websites and Web applications

Projects will range from a new website, email blasts, banners, social media / blogs, web advertising, and web applications. It will require a creative person with innovative ideas on developing brand appropriate content / imagery. Our web / graphic designer will work closely with business and technical teams to capture and exhibit the dynamic nature of our web site / software / web portal.

You will be designing screens and driving the look & feel of user interface/s. Also, recommend how new and/or existing interfaces should be designed or upgraded; i.e., the capability to create easy-to-use interfaces from business & functional requirements. It will be critical to understand target audiences' needs, tasks, and goals and translate them into experience concepts and functional components.
