

Make it a Reunion! Classmates Pat Darkoch McCleskey (front right), Glenice Johnson, and P.K. Hollingsworth Fridlund (back row), helped organize a reunion for the 1969 graduates of the Nursing program on the Dallas Parkland Campus. Shown above with Dean Patricia Holden-Huchton (center) and Dr. Debbie Tapler (front left), Associate Professor, the group celebrated a 40th reunion on May 29 and 30 by remembering their TWU days and getting a glimpse of the future Health Sciences Center.
