

## Blackboard 9.1: Making the Course Available

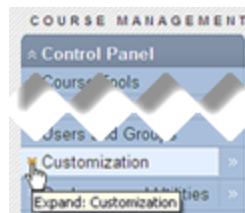

You can set course availability.

**Step 1:** Log into your course and ensure **Edit Mode** is **ON**.

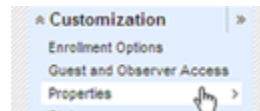

Step 1 – Edit Mode

**Step 2:** Click on the **Customization** area of the **Control Panel**.

Step 2 – Customization

**Step 3:** Click on **Properties**.

Step 3 – Properties

**Step 4:** Scroll down to Option 3: **Set Availability** and select **Yes** for **Make Course Available**.

Step 4 – Set Availability

**Step 5:** Click **Submit**.
