Web Producer

KYTX CBS 19 News, in Tyler, Texas, has an opening for a fulltime Web Producer. The ideal candidate will have at least one year of experience running a television news website, can write for web or broadcast and is proficient in social media. This is about more than slapping a few press releases on a website. We're fighting to win the website and social media war. You must be willing to join the fight. Experience with World Now is helpful, but not required. If you think you fit the bill, send your resume and writing samples to:
