Menninger Meet & Greet: Nurse Recruitment Fair

November 21, 2009

8:30 to 11:30 am

The Menninger Clinic

2801 Gessner

Houston, TX 77080

The Menninger Clinic provides comprehensive assessment and treatment for adolescents and adults with complex psychiatric and coexisting conditions. Nurses here have a respected voice on interdisciplinary teams and participate in shared governance. In addition, nurses can participate in evidence-based practice, a nursing career ladder program and in-house continuing education while caring for patients between 2 and 8 weeks.

We have opportunities for:

- staff nurses
- charge nurses
- infection control nurses

Join us and learn more about Menninger, meet our nursing leaders and interview for positions. For more information, contact Nancy Diacon, DNP, RN, at 713-275-5056 or via e-mail at ndiacon@menninger.edu.
