

Position: Part-time Junior Developer

Pay Scale: \$14-\$20 per hour

About the company:

Landmark Structures is a multi-disciplined engineering and construction company focused on heavy municipal and industrial design-build applications. We are the leader in a key market segment and are expanding into multiple additional business lines. Landmark's headquarters is in Fort Worth, TX with other key offices and facilities located in Illinois and Canada, as well as construction sites positioned nationwide.

Duties:

In search of a creative individual to join a small fast paced development team. The responsibilities of this role will vary from day to day but will generally include:

- Developing internal web based solutions
- Supporting systems and servers
- Training and assisting end users

Qualifications:

The candidate will have a firm working knowledge of the principles of web design:

- HTML
- CSS
- JavaScript
- SQL statements

Additional knowledge of Active Directory, Microsoft Office, and Microsoft SharePoint would be helpful.
