Hello Dallas Students! SGA welcomes everyone back from what we hope was a great and relaxing winter break! What is SGA you ask? Student Government Association is a group of students that represent the entire student body when it comes to issues on campus. That includes the ever impending parking situation to the staplers in the computer labs and everything in between! SGA would like to take this time to introduce the new officers this semester: April Sullivan is stepping in as President and Courtney Davis as Vice President. SGA is planning some really great events for the Spring 2009 semester including a **welcome back lunch on JANUARY 27TH**. There will be free food, free stuff and you will learn more about SGA. We are currently looking for a secretary and a treasure, and these are paid positions! If you're interested, come to the lunch on the 27th. Good luck this semester and we will see you then! - SGA
