Hello Dallas Students! Everyone in SGA hopes the first round of testing was successful and would like to notify you of some upcoming events SGA is sponsoring. The first event coming up will be the parking forum. If you have any questions, concerns, or ideas for the current parking situation on the Dallas campus, please come voice all at the parking forum! The date and time is to be announced, so keep your eyes open for flyers around campus! Another thing to keep your eyes open for is the upcoming SGA elections. We are looking for a treasurer and representatives for the Senior I and II classes, as well as the Junior I class. These are PAID positions. Each position requires only about 3 hours per week of your time. Applications will be made available online in the SGA Organizations BlackBoard site in a few short weeks. Elections will be held April 6-10. Remember: if you have any questions or concerns about anything on campus, SGA is here to help!
