RECYCLEMANIA

Jan. 23 - Apr. 2

Now through Feb. 11, the Residence Halls are showing a Go Green Series of video clips about Reducing Waste, Shopping and Eating Green, and Paper Reduction. Tune in at: <http://onthego.reslife.com/TWU/otg/watch.aspx>.

During RecycleMania, weekly tips and events in which to participate both on campus and at home will be highlighted. Our primary goal is to reduce waste. Weekly weights of recyclables and waste will be recorded, and TWU can view its progress in relation to other universities on our profile page.

Put your recyclables in the blue and green cans. It doesn't matter which one, because the bottles, cans, paper, etc. will be separated later.

Find out what's recyclable on campus at:

http://www.twu.edu/downloads/fmc/TWU_Recycling_Poster.pdf.

TOTAL HEALTH CHALLENGE ONLINE

Begins 2/7 • www.twuthco.com

If you are an online student, then this program is exclusively for you!

Total Health Challenge Online is an educational weekly challenge designed to encourage a positive and healthy lifestyle! Wellness-based topics with personal challenges will be presented for 10 weeks this spring. *At the end of each week, students who participate are eligible to win cool prizes!*

Any TWU students taking online or hybrid classes can participate! Participation is voluntary and can be intermittent, which means students can pick and choose which weekly challenges to complete based on their interests and schedules.

Each week will include personal challenges, short articles, videos and/or quizzes/games. Weekly challenges focus on topics related to time of year or campus events. Some of the topics tackled this spring include: anger and civility, anxiety, fitness and nutrition, and self esteem.

Contact Michelle Reeves at mreeves@twu.edu or 940-898-2908 for more information.

Dance in Video contains dance productions and documentaries by the most influential performers and companies of the 20th century. Included are classic performances from top ballet companies; experimental works from up-and-coming dance troupes; documentaries by and about leading choreographers; and videos on dance training.

Theatre in Video contains the world's most important plays, together with video documentaries.

The screenshot shows a search results page for 'Dance' on the TWU Library Films on Demand database. It lists 33 segments found, sorted by relevance. The first result is 'Healthy Power of Dance' from the 'Dance in Video' collection, with a duration of 4:23 minutes. The page includes navigation options like 'View By Subject' and 'Most Viewed Videos'.

February is a busy health awareness month! First, it is Heart Health Awareness Month. Heart Disease is the #1 cause of death in the U.S., killing 1 woman every minute. You can reduce your risk of heart disease by exercising regularly, eating more fruits and veggies, maintaining a healthy weight, and if you smoke, quit!

February 13-19 is *Sexual Responsibility Week*. Are you celebrating Valentine's Day in a responsible way?

February 21-28 is *Eating Disorders Awareness Week*. Do you know the signs and symptoms?

Look for our flyers and table tents for program information.

January was also *Cervical Health Awareness Month*. Do you know your risk?

Contact health education at 898-3833, or healtheducation@twu.edu, for more information regarding cervical cancer and HPV, sexual health, eating disorders, or any health topic that is important to you.
