## *Annual Financial Report*

FOR THE YEAR ENDED  
AUGUST 31, 2010

## **About the Cover:**

The photograph on the cover of the University's Annual Financial Report features the Pioneer Woman Statue.

From <http://www.twu.edu/library/campus-art.asp>

The Pioneer Woman statue on the TWU campus celebrates the indomitable spirit and heroism of the pioneer women who settled Texas. Designed by Leo Friedlander and dedicated in 1938, it was a gift of the State of Texas in observance of the centennial of Texas independence. The fifteen-foot statue, made of pure Georgia white marble, took three years to complete at a cost of \$25,000. It is located on the west side of the Denton campus between the Music and Art Buildings.

The inscription at the base of the statue was written by Jessie H. Humphries, then dean of women:

MARKING A TRAIL IN A PATHLESS WILDERNESS PRESSING FORWARD WITH UNSWERVING COURAGE SHE MET EACH UNTRIED SITUATION WITH A RESOURCEFULNESS EQUAL TO THE NEED \* WITH A GLAD HEART SHE BROUGHT TO HER FRONTIER FAMILY HER HOMELANDS CULTURAL HERITAGE \* WITH DELICATE SPIRITUAL SENSITIVENESS SHE ILLUMED THE DULLNESS OF ROUTINE AND THE LONELINESS OF ISOLATION WITH BEAUTY AND WITH LIFE ABUNDANT AND WITHAL SHE LIVED WITH CASUAL UNAWARENESS OF HER VALUE TO CIVILIZATION

\* SUCH WAS THE PIONEER WOMAN THE UNSUNG SAINT OF THE NATIONS IMMORTALS.

Honorable Rick Perry, Governor  
Honorable Susan Combs, State Comptroller  
John S. O'Brien, Director, Legislative Budget Board  
John Keel, CPA, CGAP, CFE, State Auditor

Lady and Gentlemen:

We are pleased to submit the Annual Financial Report of the Texas Woman's University for the year ended August 31, 2010, in compliance with TEX, GOV'T CODE ANN §2101.011 and in accordance with the requirements established by the Comptroller of Public Accounts.

Staff in the TWU Controller's Office have worked diligently to prepare this report of results for our component operating unit of the State Government for consolidation with information from other state agencies and institutions in the State's Comprehensive Annual Financial Report (CAFR).

The financial reports of TWU and other component units will be considered for audit by the State Auditor's Office as part of the audit of the State of Texas. Therefore, an opinion has not been expressed on the financial statements and related information contained in this report.

If you have any questions, please contact Kelly McCullar at (940) 898-3525. Colette Friar may be contacted at (940) 898-3533 for questions related to the Schedule of Expenditures of Federal Awards.

Respectfully Submitted,

A handwritten signature in blue ink that reads "Ann Stuart".

## Notes to the Financial Statements

<b>NOTE 1: Summary of Significant Accounting Policies</b>
---

### Entity

Texas Woman's University (TWU) was created in 1901 by an Act of the Twenty-Seventh Legislature of the State of Texas, and the enacting statute laid a strong foundation for a multi-purpose institution of higher education. As a publicly funded institution, TWU's financial records comply with state statutes and regulations. This includes compliance with the Texas Comptroller of Public Accounts' Reporting Requirements for State Agencies and State Colleges and Universities.

Because TWU is a component operating unit of the State Government, the University's financial information is consolidated with other state agencies and institutions in the State's Comprehensive Annual Financial Report (CAFR). The Comptroller of Public Accounts is responsible for preparation of the CAFR, which meets all requirements delineated in Governmental Accounting Standards Board Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*. The Comptroller does not require the annual financial report of TWU or other component units to be in compliance with all requirements of this statement. The financial reports of TWU and other component units will be considered for audit by the State Auditor's Office as part of the audit of the State's CAFR. Therefore, an opinion has not been expressed on the financial statements and related information in this report.

As part of the preparation of this financial report, consideration was given to the requirements of Governmental Accounting Standards Board Statement No. 39, *Determining Whether Certain Organizations Are Component Units*. For Texas Woman's University, the results of this consideration show:

#### Blended Component Units

No component units have been identified which should have been blended into an appropriated fund.

#### Discrete Component Units

No component units have been identified which should have been included in a discrete presentation in the financial report.

## **Fund Structure**

Texas Woman's University is an Enterprise Fund reported in the State of Texas' Comprehensive Annual Financial Report as a Proprietary Fund Type. Enterprise funds are used to account for any activity in which a fee is charged to external users for goods or services. Activities must be reported as enterprise funds if any one of the following criteria is met:

1. The activity is financed with debt that is secured solely by a pledge of the net revenues from fees and charges of the activity.
2. Laws or regulations require that the activity's costs of providing services including capital costs (such as depreciation or debt service), be recovered with fees and charges.
3. The pricing policies of the activity establish fees and charges designed to recover its costs, including capital costs.

## **Measurement Focus and Basis of Accounting**

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The basis of accounting determines when revenues and expenditures or expenses are recognized in the accounts reported in the financial statements.

Texas Woman's University's financial statements have been presented using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis, revenues are recognized when earned, and expenses are recorded when an obligation has been incurred. All significant intra-agency transactions have been eliminated.

The University has the option to apply all Financial Accounting Standards Board (FASB) pronouncements issued after November 30, 1989, unless FASB conflicts with GASB. The University has elected to not apply FASB pronouncements issued after the applicable date.

## **Assets, Liabilities, and Net Assets**

### ***ASSETS***

#### Cash and Cash Equivalents

For purposes of the statements of cash flows, the University considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

#### Restricted Assets

Restricted assets include monies or other resources restricted by legal or contractual requirements. These assets include proceeds of enterprise fund general obligation and revenue bonds and revenues set aside for statutory or contractual requirements. Assets held in reserve for guaranteed student loan defaults are also included.

#### Inventories

Inventories include both merchandise inventories on hand for sale and consumable inventories. Inventories are valued at cost, generally utilizing the last-in, first-out method. The consumption method of accounting is used to account for inventories. The cost of these items is expensed when the items are consumed.

Capital Assets

Assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year should be capitalized. These assets are capitalized at cost or estimated historical cost, if actual historical cost is not available. Donated assets are reported at fair value on the acquisition date. Depreciation is charged to operations over the estimated useful life of the asset using the straight-line method.

Other Receivables

Other receivables include year-end revenue accruals not included in any other receivable category.

**LIABILITIES**

Accounts Payable

Accounts Payable represents the liability for the value of assets or services received at the balance sheet date for which payment is pending.

Employees Compensable Leave Balances

Employees' Compensable Leave Balances represent the liability that becomes "due" upon the occurrence of relevant events such as resignations, retirements, and uses of leave balances by covered employees. Liabilities are reported separately as either current or non-current in the statement of net assets.

Bonds Payable-Revenue Bonds

Revenue bonds are reported at par. Payables are reported separately as either current or non-current in the statement of net assets.

**NET ASSETS**

The difference between fund assets and liabilities is "Net Assets".

Reserved for Encumbrances

This represents commitments of the value of contracts awarded or assets ordered prior to year-end but not received as of that date. Encumbrances are not included with expenses or liabilities. They represent current resources designated for specific expenses in subsequent operating periods.

Reserved for Consumable Inventories

This represents the amount of supplies, postage, and prepaid assets to be used in the next fiscal year.

Unreserved/Undesignated

This represents the un-appropriated balance at year-end.

Invested in Capital Assets, Net of Related Debt

This amount represents capital assets, net of accumulated depreciation and outstanding balances for bonds, notes and other debt that is attributed to the acquisition, construction, or improvement of those assets.

Restricted Net Assets

Restricted net assets result when constraints placed on net assets are either externally imposed by creditors, grantors, contributors, and the like, or imposed by law through constitutional provisions or enabling legislation. Generally, when an expense is incurred that can be paid using either restricted or unrestricted resources, the University's policy is to first apply the expense towards the restricted resources and then towards the unrestricted resources.

Unrestricted Net Assets

This amount represents net assets which do not meet the definition of the two preceding categories. Unrestricted net assets often have constraints on resources, which are imposed by management but can be removed or modified.

***CLASSIFICATION OF REVENUE***

Operating Revenues

Operating revenues include activities that have the characteristics of exchange transactions, such as (1) student tuition and fees, net of scholarship discounts and allowances, (2) sales and services of auxiliary enterprises, net of scholarship discounts and allowances, and (3) most Federal, state and local grants and contracts.

Non-operating Revenues

Non-operating revenues include activities that have the characteristics of non-exchange transactions such as gifts and contributions, and other revenue sources that are defined as non-operating revenues by GASB No. 9 and GASB No. 34, such as state appropriations and investment income.

**Employees' Compensable Leave**

A state employee is entitled to be paid for all unused vacation time accrued, in the event of the employee's resignation, dismissal, or separation from State employment, provided the employee has had continuous employment with the State for six months.

Full-time state employees earn annual leave from eight to twenty-one hours per month depending on the respective employees' years of state employment. The State's policy is that an employee may carry his accrued leave forward from one fiscal year to another fiscal year with a maximum number of hours up to 532 for those employees with 35 or more years of state service. Employees with at least six months of state service who terminate their employment are entitled to payment for all accumulated annual leave up to the maximum allowed. The University recognizes the accrued liability for the unpaid annual leave. For the year ended August 31, 2010, the accrued liability totaled \$3,718,217.61.

The University made lump sum payments totaling \$241,456.45 for accrued vacation (and/or compensatory time) to employees who separated from state service during fiscal year ending August 31, 2010.

Sick leave, the accumulation of which is unlimited, is earned at the rate of eight hours per month and is paid only when an employee is off due to illness or to the estate of an employee in the event of his/her death. The maximum sick leave that may be paid an employee's estate is one-half of the employee's accumulated entitlement or 336 hours, whichever is less. The University's policy is to recognize the cost of sick leave when paid and the liability is not shown in the financial statements since experience indicates the expenditure for sick leave to be minimal.

<b>NOTE 6: Bonded Indebtedness</b>
------------------------------------

**NOTE 7: Capital Leases**

The Agency has entered into long-term leases for financing the purchase of certain fixed assets. Such leases are classified as capital leases for accounting purposes and, therefore, have been recorded at the present value of the future minimum lease payments at the inception of the lease. The following is a summary of original capitalized costs of all such property under lease as well as the accumulated depreciation as of August 31, 2010:

<b>Assets Under Capital Leases</b>	<b>Business-Type Activities</b>
Building Improvements	2,809,509.96
Less: Accumulated Depreciation	970,557.78
<b>Total</b>	<b>1,838,952.18</b>

Future minimum lease payments under these capital leases, together with the present value of the net minimum lease payments at fiscal year-end, are as follows:

<b>Future Minimum Lease Payments</b>	<b>Business-Type Activities</b>		
	<b>Principal</b>	<b>Interest</b>	<b>Total</b>

<b>Total Lease Payments FY 2010</b>	<b>155,359.20</b>

**NOTE 9: Retirement Plans**

The State of Texas has joint contributory retirement plans for substantially all its employees. One of the primary plans in which the University participates is administered by the Teacher Retirement System of Texas (TRS). The contributory percentages of participant salaries currently provided by the State and by each participant are 6.644% and 6.4%, respectively, of annual compensation. The Teacher Retirement System does not separately account for each of its component government agencies, since the Retirement System itself bears sole responsibility for retirement commitments beyond contributions fixed by the State Legislature. Further information regarding actuarial assumptions and conclusions, together with audited financial statements are included in the Retirement System’s annual financial report (see <http://www.trs.state.tx.us/about/documents/CAFR.pdf>).

The State has also established an optional retirement program (ORP) for institutions of higher education. For eligible individuals, participation in the ORP is elective in lieu of participation in the TRS. The ORP provides for the purchase of mutual fund and annuity contracts. The contributory percentages on salaries for participants entering the program prior to September 1995 are 8.5% and 6.65% by the state and each participant, respectively. The state’s contribution is comprised of 6.4% from the ORP’s appropriation and 2.1% from other funding sources. The 6.4% contribution is mandatory with the 2.1% state contribution being at the discretion of the board. TWU’s Board of Regents has approved the additional contributions for employees of the University. The contributory percentages on salaries for participants entering the program after August 31, 1995 are 6.4% and 6.65% by the state and each participant, respectively. Since these are individual contracts, the State has no additional or unfunded liability for this program.

The state has established an optional retirement program for institutions of higher education. Participation in ORP is in lieu of participation in the Teacher Retirement System and is available to certain eligible employees. The contributions made by plan members and employers for the fiscal year ended 08/31/10 are:

	<b>Year ended Aug. 31, 2010</b>
Member Contributions	\$ 1,715,401.00
Employer Contributions	\$ 1,914,498.00
Total	\$ 3,629,899.00

**NOTE 10: Deferred Compensation**

State employees may elect to defer a portion of their earnings for income tax and investment purposes pursuant to authority granted in the TEXAS GOVERNMENT CODE ANNUNCIATED, §609.001. Two plans are available for employees’ deferred compensation plan. Both plans are administered by the Employees Retirement System.

The state also administers another plan; ‘TexaSaver’ created in accordance with Internal Revenue Code Sec. 401(k). The assets of this plan do not belong to the state. The state has no liability related to this plan.

**NOTE 12: Interfund Activity and Transactions**

Texas Woman’s University experienced routine transfers with other state agencies, which were consistent with the activities of the fund making the transfer. Repayment of interfund balances will occur within one year from the date of the financial statement.

During FY 2010, the following adjustments were made which required the restatement of the amounts in fund balances and fund equity as shown and discussed below:

<b>Fund Bal/Equity August 31, 2009</b>	303,471,304.11
Adjust Loan Balances for Perkins Nursing Loans	-109,087.77
Adjust Grant Receivable Balance	-31,634.22
Adjust Payable Balance	128,306.42
<b>Fund Bal/Equity Sept. 1, 2009, As Restated</b>	<b>303,458,888.54</b>

<b>NOTE 15: Contingent Liabilities</b>
--

At August 31, 2010, there were no material pending lawsuits or claims involving Texas Woman’s University. Any claims incurred but not asserted against the University cannot be reasonably estimated at this time, and any such liability, to the extent not provided for by insurance or otherwise, is not likely to have a material effect on the University.

The University has received several grants for specific purposes that are subject to review and audit by the grantor agencies. Such audits could lead to a request for reimbursements to grantor agencies for expenditures disallowed under the terms of the grant. Based on prior experience, management believes such disallowance’s if any, will be immaterial.

<b>NOTE 16: Subsequent Events</b>
-----------------------------------

None.

**NOTE 17: Risk Management**

The state now utilizes an allocation program that funds both workers' compensation benefits and risk management costs through annual assessments that participating agencies pay to the State Office of Risk Management (SORM).

The University is required by certain bond covenants to carry fire and extended coverage and boiler insurance on buildings financed through the issuance of bonds using pledged Auxiliary Enterprise or other non-Educational and General Funds. The insurance protects the bondholders from a disruption to the revenue stream that is being utilized to make the bond interest and principal payments. In Fiscal Year 2010 this coverage was also purchased for buildings that are not financed with bonds. The total limit of liability is \$400,000,000 and the carrier is Zurich American Insurance Company.

The University carries a Commercial General Liability Policy through St. Paul Fire and Marine Insurance which provides insurance protection to pay for bodily injury or property damages. The policy provides coverage for liability arising from personal injury and advertising injury. While the general total limit of coverage is \$1,000,000 for each occurrence and \$2,000,000 general aggregate. An Umbrella Excess Liability Protection Policy provides additional \$10,000,000 coverage through St. Paul Fire and Marine Insurance Company.

The Texas Motor Vehicle Safety Responsibility Act requires that every non-governmental vehicle operated on a state highway be insured for minimum limits of liability in the amount of \$20,000/\$40,000 bodily injury and \$15,000 property damage. However, Texas Woman's University has chosen to carry liability insurance on its licensed vehicles in the amount of \$1,000,000 combined bodily injury and property damage. This coverage is provided by St. Paul Fire and Marine Insurance Company. In addition, the University carries the same coverage for leased vehicles.

A medical Professional Liability Policy is carried to cover Officers of the University, and employees of the Student Health Services Clinic, the University Family Counseling Clinic, the University Dental Hygiene Clinic, the Speech and Hearing Clinic, the TWU Counseling Center, the Stroke Center, the Fitness & Recreation Center, the Dysphagia Clinic, and the Wellness & Sport Evaluation Program.

The University participates in the United Educators Insurance Risk Retention Group, Inc., with a limit of liability of \$5,000,000 for each claim. This legal liability policy covers Directors, Trustee, or Officers of the University.

In addition, the University carries crime coverage through Travelers Casualty & Surety as follows:

\$1,000,000	Employee Dishonesty
\$1,000,000	Forgery and Alteration
\$1,000,000	Computer Fraud
\$ 15,000	Theft, Disappearance, and Destruction
\$ 15,000	Robbery and Safe Burglary

<b>NOTE 18: Management Discussion and Analysis</b>
--

**Financial Position of the University**

Texas Woman's University continues to maintain a strong financial position as a result of a long-standing tradition for conservative management of fiscal resources. The Annual Financial Report for Fiscal Year 2010 provides evidence of that enduring financial strength, as shown by the year to year comparison below:

**Fiscal Year Comparison****Statement of Net Assets**

	<b><u>FY09</u></b>	<b><u>FY10</u></b>	<b><u>% Change</u></b>	<b><u>\$ Change</u></b>

**NOTE 19: The Financial Reporting Entity**

Texas Woman’s University is an Enterprise Fund reported in the State of Texas’ Comprehensive Annual Financial Report as a Proprietary Fund Type. The University does not have any component units or related parties to be included in its financial statements. Because the University is considered a component unit of the State of Texas, and because its financial information is included in the State’s audited Annual Financial Report, the University’s financial statements are not independently audited.

**NOTE 20: Stewardship, Compliance & Accountability**

Not applicable.

**NOTE 22: Donor – Restricted Endowments**

<u>Donor-Restricted Endowments</u>	<u>Amounts of Net Appreciation</u>	<u>Reported in Net Assets</u>
Endowments	552,297.20	Restricted for Nonexpendable
Term Endowments	0	Restricted for Nonexpendable
Endowments	0	Restricted for Expendable
	<u>552,297.20</u>	

Endowments are established at Texas Woman’s University for the support of students and programs in the various colleges and schools. When initially created, the endowment contract legally specifies the purpose of the fund and how investment income is to be distributed. The University restricts the expenditure of the annual income based upon terms of the agreement. For each endowment, a separate scholarship account is established and funded annually by the interest income generated from investments of the endowment principal. In the table above, the net negative fair value adjustment is \$247,778.88.

**NOTE 26: Segment Information**

Not Applicable. There are no component units.
