

## **Bachelor of Science in Family and Consumer Sciences (with Home Economics Teacher Certification)**

### **Career Opportunities**

The Family and Consumer Sciences major is a broad program which includes preparation in general university requirements, and in specific subject matter areas of Family and Consumer Sciences including:

- Family life
- Child development
- Food and nutrition
- Housing and household equipment
- Management
- Fashion and textiles
- Consumer sciences

Successful completion of this major leads to certification to teach Family and Consumer Sciences in the secondary schools. Completion of the B.S. degree with a major in Family and Consumer Sciences satisfies the course requirements in Texas for a Provisional Teacher Certificate in Family and Consumer Sciences.
