Prerequisite Courses Completed:	Semester	Grade

2) FS 5313 Counseling Theories	_____	_____
3) FS 5443 Multicultural Counseling	_____	_____

NOTE: Any student submitting this application and not enrolling for the semester requested will be required to wait an additional semester beyond the one missed before he/she will be placed in a clinical section.

Students are expected to register for the applicable clinical course ever semester without a disruption in this sequence. If an emergency requires an interruption, students must write a letter to their assigned faculty advisor for presentation to the C&D faculty for a ruling. Failure to comply with this exception will require a student to wait an additional semester beyond the one missed before being placed in a clinical section.
