Family	Husband, L.E.
Home Club	Abilene Study Club
Profession	Teacher
Other Organizational Memberships	Red Cross, American Cancer Society, Texas Federation of Garden Clubs, National Association of Parliamentarians

"We go from Strength to Strength" was the theme of Mrs. Dudley's administration. She supported the Indian project, leadership development, community achievement contents, reading classes and the driver's education project. She created the Texas Heritage Department and continued the TFWC Headquarters Scholarship Fund. The Alabama-Coushatta Indian project was a huge success during Mrs. Dudley's administration. The TFWC clubwomen contributed a little league baseball diamond, equipment for recreation, a library and a scholarship for children on the reservation. Mrs. Dudley was an excellent speaker and enjoyed many appointments by Governor Allen Shivers.
