

## Guy Administration, 2000 –2002

Mary Beth Guy, *Kirbyville*

Family	Husband, C.R. and four children
Education	Harding University, Arkansas
Special Awards & Achievements	Listed in National Women's Hall of Fame
Other Organizational Memberships	Toastmasters, Texas Housing Association

The theme of Mrs. Guy's administration was "Spanning the Millennium with Bridges of Faith, Friendship and Federation." During her time as president Mrs. Guy traveled 50,000 miles across Texas visiting clubs and districts. The Long-Range Planning Committee made plans to create a TFWC membership video that would highlight the Federation Headquarters building, and the GFWC membership brochure was updated. The president's special project "Operation Smile" was a success with almost 100% of clubs contributing children's gowns blankets or smile bags. An emergency resolution was passed to show support for the US government after 9/11 and copies were sent to George Bush and the GFWC International President. The TWU Research Fellowship was continued and plans were made to host a reception for Laura Bush at the Headquarters.
