With the theme “Reflect, Rejoice, Rededicate, Celebrate!” this administration began with a busy summer workshop at TWU in Denton (the college TFWC worked to bring into being in the early years of Federation). A check for \$21,866.22 representing a tax refund, was gratefully received and the 501 c3 tax status for the TFWC was launched. In cooperation with the state of Texas the Texas Office for the Prevention of Developmental Disabilities” was established and programs presented to acquaint them with the office. The “roof note” was paid off and the expansion fund for the parking lot was established. A computer was bought for the office and videos made of each district for historic preservation.
