Education	Our Lady of the Lake University, <i>San Antonio</i>
Home Club	Giddings Study Club
Other Organizational Memberships	First Lady's Volunteer Program, Girl Scouts, Ducks Unlimited

The Simmang administration saw the celebration of the TFWC Centennial. At the Centennial Convention several important decisions were made. The board voted in favor of purchasing land adjacent to the property on which the Headquarters is now located; however the Executive Committee decided to allow the full convention to vote on this important matter. The management of the Headquarters was placed in the hands of a professional leasing agent. During the 1998 convention the Federation voted to amend the by-laws to include junior member classification and established the "club-at-large" classification so that those moving to towns with no club or members of disbanded clubs will have a club to join. Contributions were made to the new Simmang Volunteer Award Scholarship.
