“Spectrum of Service – Reflections/Projections” was the theme of Mrs. Sims administration. The summer orientation meeting for officers and clubwomen was held at Southwest Texas State University in San Marcos. “Take a Bite Out of Crime” became the byword as women learned how to combat the many forces of crime. “McGruff” became “Man of the Year” in crime prevention. The TFWC Library was expanded, TFWC scholarship accounts were set up in a more orderly fashion, and clubwomen kept learning under the CEU Adult Education Involvement program.
