“Out of Our Dreams We Join Hands In Action,” was chosen by Mrs. Tipps as the theme for her administration. The TFWC Historical Foundation became a reality during the administration of Mrs. Tipps. We also received a grant for two consecutive years for the “Hands Up” program. The TFWC Headquarters building was refurbished with extensive repairs accomplished. Great support was given to M. D. Anderson with over 2500 wigs sent to Houston for the needy patients at that Medical Center.
