TWU BOARD OF REGENTS APPROVES FACULTY, STAFF PAY INCREASE

The Board of Regents on August 16th, 2013 approved the distribution of a three percent (3 percent) minimum compensation increase to all regular faculty and staff hired prior to July 1, 2013 and employed at the time of payment distribution. The salary increases will be distributed as follows:

**Base Salary Increase**

The university will increase base salary by 1.50 percent or $750, whichever is greater, for regular faculty and staff. This base salary portion will be effective on September 1, 2013, and will be reflected beginning with the October 1, 2013 paychecks.

Regular faculty and staff earning $50,000 per year or more will receive a 1.50 percent increase in their base salary.

Regular faculty and staff earning less than $50,000 per year will receive a $750 increase, which is a higher percentage increase than 1.50 percent.

**Lump Sum Pay Distribution**

The remaining 1.50 percent increase will be issued in a one-time lump sum payment of 1.50 percent for all Regular Faculty and Staff. This one-time lump sum payment will be reflected in the October 1, 2013 paycheck and is not subject to TRS or ORP retirement deductions.

All regular full-time and regular part-time faculty and staff will receive the base salary pay increase and the one-time lump sum pay distribution, less any required deductions and prorated for part-time faculty and staff.

Those who have questions should contact Estela Long at 81-3458 or elong@twu.edu or Amanda Noday, 81-3562 or anoday@twu.edu.

ALUMNA LEAVES LARGEST-EVER GIFT TO TWU ATHLETICS
A $420,000 gift from the estate of Texas Woman’s University alumna Agnes C. Talley will provide additional scholarship dollars for TWU student-athletes. The gift is the largest single gift ever made to the university’s athletics program.

Ms. Talley made the gift to the TWU Pioneer Club, which was established in 1984 as a fund for athletics scholarships.

“This gift will help our student-athletes continue toward their goal of a quality education as they continue to compete on a team,” said Dr. Richard Nicholas, TWU vice president for student life. “Our student-athletes truly live up to our philosophy of being a student first. The athletics record of which we are most proud is the 62 consecutive semesters of having an overall team grade point average of 3.0 or higher.”

Ms. Talley – or “Aggie,” as her friends and classmates knew her – played on the badminton and field hockey teams as a student at what then was Texas State College for Women. She graduated in 1945 with a bachelor’s degree in health, physical education and recreation. She served as a teacher and counselor in Waco, where she retired with more than 40 years of service. Ms. Talley passed away Nov. 22, 2012 in Waco at the age of 89.
