

The Dietary History of Current TWU Students

Participants Required

All TWU students are eligible to participate

April 15 through April 29, 2010

It will take 30 minutes to complete an online survey and answer some questions by e-mail

Objective: To investigate the dietary habits of currently enrolled TWU students

Participants will be excluded if they have had any form of bariatric surgery or have been diagnosed with Diabetes, Irritable Bowel Disease, Celiac Disease or Phenylketonuria; all conditions that require specialized diets
