

STUDENT TEACHER

Enrollment Meetings

The Professional Development Center (PDC) staff will enroll undergraduate and graduate students seeking admission into Texas Woman's University's Student Teaching Program for the Fall 2012 semester on the following dates:

Friday, February 3, 2012

9:00 AM – 11:00 AM

Location: CFO 205

OR

Tuesday, February 7, 2012

5:00 PM – 7:00 PM

Location: CFO 204

Attendance during one of these meetings is mandatory.

(Students are welcome to attend any enrollment meeting. Pre-registration is not required to attend.)

The deadline to apply for a Fall 2012 placement is 5:00 PM on Friday, February 24, 2012, Stoddard Hall Room 202.

Admission into the Texas Woman's University Teacher Education Program is required prior to student teaching. The university provides three options for students interested in education certification: undergraduate, Master of Arts in Teaching and post-baccalaureate. Certification applicants must satisfy the following requirements in order to student teach:

Undergraduate Applicants on an Interdisciplinary Major Degree

- A minimum 2.75 overall grade point average.
- Satisfactory completion (grade of "C" or better) of all courses leading to degree and certification requirements in the Interdisciplinary major and the Education minor, with the exception of student teaching.
- Must have passed the state content and PPR TExES exams, OR attempted the content and PPR TExES practice exams twice, if the student has not been approved to take the state TExES exams.
- Must submit the TExES Success Plan to SH 202 with the Student Teaching Application.

Undergraduate Applicants on a Secondary, All-level, or Grades 4-8 Specialization Degree

- A minimum 2.75 overall grade point average.
- Satisfactory completion (grade of "C" or better) of all courses in the Education minor, with the exception of student teaching.
- Satisfactory completion (as defined by the major department) of all courses leading to degree and certification requirements, except student teaching.
- Must have passed the state content and PPR TExES exams, OR attempted the content and PPR TExES practice exams twice, if the student has not been approved to take the state TExES exams. *
- Must submit the TExES Success Plan to SH 202 with the Student Teaching Application.

Post Baccalaureate Certification

- Copy of official Deficiency Plan obtained from the Office of Student Support Services.
- A minimum 2.75 overall grade point average.
- Satisfactory completion (grade of "C" or better) of all course work leading to certification requirements, with the exception of student teaching.
- Must have passed the state content and PPR TExES exams, OR attempted the content and PPR TExES practice exams twice, if the student has not been approved to take the state TExES exams. *
- Must submit the TExES Success Plan to SH 202 with the Student Teaching Application.

Master of Arts in Teaching Degree

- Copy of MAT Degree Plan signed by faculty advisor, including a "Change of Degree Plan" form, if applicable.
- A minimum 3.0 overall grade point average on graduate transcript.
- Satisfactory completion (grade of "B" or better) of all course work leading to degree and certification, with the exception of student teaching.
- Must have passed the state content and PPR TExES exams, OR attempted the state content TExES exam at least once and the PPR TExES practice exam twice, if the student has not been approved to take the state PPR TExES exam.
- Must submit the TExES Success Plan to SH 202 with the Student Teaching Application.

Deaf and Hard of Hearing Certification

- Copy of Master's Degree Plan signed by faculty advisor (and a copy of a Deficiency Plan if the undergraduate degree was not completed at TWU).
- A minimum 3.0 overall grade point average on graduate transcript.
- Satisfactory completion (grade of "B" or better) of all course work leading to degree and certification, with the exception of student teaching.
- Must have passed the state PPR TExES exam, OR attempted the PPR TExES practice exam twice, if the student has not been approved to take the state PPR TExES exam. *
- Email from Dr. Tamby Allman or Dr. Chad Smith sent to jfranz@twu.edu stating student has met all departmental requirements to student teach.
- Must submit the TExES Success Plan to SH 202 with the Student Teaching Application.

*Students seeking Secondary and All-Level certification must meet the eligibility guidelines defined by their major department.
