Teaching

Courses Taught at TWU

Fall 2006

Medical Kinesiology (PT5033) – Course Coordinator/Primary Instructor
PT Evaluation & Assessment (PT 5073) will teach two modules in this course
Clinical Inquiry (PT5881) – research mentor for 5 professional projects

Summer 2006 –

Gross Human Anatomy (PT 5015) – assistant lab instructor
Clinical Inquiry (PT5871) – research mentor for 5 professional projects

Spring 2006 – assisted in the following courses:

Applied Orthopedic Management (PT5111)
Therapeutic Activities for the Orthopedic Patient (PT5113)
Extremity Manual Therapy (PT5123)
Therapeutic Activities for the Rehabilitation Patient (PT5193)
Patient Care Seminar (PT5801)

Fall 2005 –

Medical Kinesiology (PT5033)-Course Coordination/Primary Instructor

Other Scholarly Teaching

Dominican College

Fall 2005 –

Critical Inquiry (DP766)-Course Coordination; presented as a distant
education course

Fall 2001 –

Teaching and Learning (DP623)-Course Coordination/Primary Instructor

Spring 2000 –

Musculoskeletal Assessment and Treatment I (DP564)-Course
Coordination/Primary Instructor

Fall 1999 –

Exercise Physiology (DP538) - Course Coordination/Primary Instructor
Kinesiology (DP532)-Guest Lecturer

SCHOLARSHIP/CREATIVE ACHIEVEMENTS

Presentations at Professional Meetings

Norris, B, Pinto-Zipp, G. (2003). Poster Presentation: The effects of practice under conditions of contextual interference on the interjoint coordination of squat lifting. New Jersey Physical Therapy Association, Annual Spring Conference, Woodbury, NJ.

Norris, B. (1999). Analysis of scapular muscle activity during performance of shoulder rehabilitation exercises. Connecticut Physical Therapy Association, Annual Fall Conference, Mashantucket, CT

Norris, B, Stiskall, D. (1999). Poster Presentation: Analysis of scapular muscle activity during performance of shoulder rehabilitation exercises. Seton Hall University, 10th Annual Research Colloquium, South Orange, NJ.

Honors and Awards

Orthopedic Board Certified Clinical Specialist
American Physical Therapy Association
Recertification 5/2005-4/2116
Certification 4/1996-4/2006

Honorable Mention- Poster Presentation
Seton Hall 10th Annual Research Colloquium, 1999

Scholarly Works in Progress

Norris, ES & Pinto-Zipp, G. (2006). The effects of practice under conditions of contextual interference on the interjoint coordination of squat lifting . In manuscript preparation for *Perceptual Motor Skills*. Estimated completion date October 2006.

Norris, ES (2006). The speed-accuracy trade-off: applications for rehabilitation of upper extremity disorders. In manuscript preparation for *Journal of Neurologic Physical Therapy*. Estimated completion date: Jan 2007.

PROFESSIONAL SERVICE

Service Activities

School of Physical Therapy

2006 -2007 Post-professional Curriculum Committee; member

2006-2007 Transitional/Bridge DPT Committee; co-coordinator

Fall 2006 Tenure Tract Guidelines Committee; member

Service to the Profession

American Physical Therapy Association – member since 1987

Orthopaedic Section- 1990 to present

Texas Physical Therapy Association – member since June 2005

Phi Kappa Phi – lifetime member since 1991

Community Service

Cloth a Child (Sept 2006)

Leukemia and Lymphoma Association (Aug 2004-Jan 2005)

Participated in Team in Training involving training for and completing a marathon while independently raising \$1800.00 in funds for the Leukemia and Lymphoma Association.

OTHER

Professional Development (since August 2005)*

TPTA – Ethics – April 2006

APTA – Combined Sections Meeting – Feb 2006

* Professional Development prior to August 2005 available by request
