**REQUEST TO WITHHOLD "DIRECTORY INFORMATION"**

"Directory Information" includes the following information relating to a student: the student's name, address, telephone number, date and place of birth, major field of study, dates of attendance, degrees received, classification, the most recent previous educational agency or institution attended by the student. The TWU Phone Directory is printed during the Fall semester and lists name, classification, address, and telephone number of each student. If you do not wish to be listed in the TWU directory and do not wish to have any other directory information publicly released without your signed request, please sign.
