Pre med/dental students should complete a 20 hour minor with following: BIOL 1111/13, 1121/23, BACT 3111/13, and 8 hours in BIOL electives.

PROCEDURES:

1. The student will file TWU transcript/TWU grade reports/TWU evaluation with advisor at the time suggested by the advisor.
2. The advisor will list on this form all courses satisfactorily completed and those to be completed, by course numbers and forward to the Department Chair; if approval is granted, will forward to the minor advisor. If approval is granted, the minor advisor will forward to the Dean of College.
3. The Dean will be the sole authority for authorizing substitutions in the listing of major and minor courses.
4. The Registrar's Office will determine that the legal and university-wide graduation requirements have been or will have been satisfied for graduation.
5. The Registrar's Office will notify the candidate for graduation of the steps to be followed for graduation (ordering diploma, invitations, academic regalia, time and place of ceremony).
6. The catalog carrying the date the student was first enrolled in an accredited college or university may dictate the requirements for graduation for a five-year period. Beyond this time a new catalog must be consulted. The advisor should agree on the catalog date to be used and enter this information in the space designated "Catalog Date" on the opposite side of this form. Students who are required to re-apply for admission due to leave of study will be required to follow new catalog at time of re-entry.
