*Lovesong*, directed by TWU assistant professor Dr. Noah Lelek, creatively travels through the history of a couple, roaming through various points in their life together: from first love to aging companions - exploring the ups and downs of Billy and Maggie's relationship. At times, *Lovesong* is physically dynamic and fierce. At others, it's proudly tender and fragile. Through it all, the play proves that every marriage is an epic adventure. *Lovesong* by Abi Morgan was originally a presentation of Frantic Assembly and Drum Theatre Plymouth in association with Chichester Festival Theater and directed and choreographed by Scott Graham and Steven Hoggett.

The cast of *Lovesong* features 3 TWU undergraduate drama majors Nolan Chapa, Riley Jo Payne and Britnee Schoville. The cast also features Andrew Ehalt, a senior at UNT. Selena Flores will serve as assistant director, Associate Professor Rhonda Gorman, will provide the costume design, and Michael Stephens serves as set designer. Alicia Dailey is the properties designer, and Long Ho is sound designer. Patrick Bohmier, Katherine Hogan and Bronwynne Smith serve as stage manager and assistant stage managers, respectively.
