Welcome to New Senators

Compensation is a main priority for the coming year, may be in Budget and Planning Committee; we have additional changes to make to the Constitution and Bylaws to better reflect current practices.

Senator Processes and Procedures

Faculty Senate is not a grievance body, we provide input on policy reviews as part of shared governance. Policies brought to the Senate for review go through two readings; this allows time for you to solicit input from your constituents which is part of your job as a senator.

Selection of Senators for 2023-24 Standing Committees and Description of Committees

Committee memberships are handled via Google Forms; chairs will be elected electronically in the next week.

Distance Education Advisory Committee: Paul Thomas

Faculty Evaluation & Development Committee: Michael Raisinghani

Graduate Council: Aaron Norton

Undergraduate Council: Peggy Landrum
