

TWU Former Students Association

*The Beulah Kincaid Fry
Leadership Award*

Ms. Beulah Kincaid was the first to receive her diploma in 1904 from The Girls Industrial College of Texas. In 1905, nine more students finished their studies. Those ten young women formed the first Alumnae Association. The highest priority was to establish a scholarship fund to assist in the payment of the \$200 tuition fee. These ten women realized that a good education should be accessible to any woman who so desired. The motto of “*we learn to do by doing*” was the means to achieve life’s greatest treasure.

Throughout the 100 years, this institution has provided an education of the highest quality that empowers and affirms the full development of students so that their potential for humanitarian and leadership skills are enhanced. Today, TWU is still fulfilling many dreams and carrying on the legacy of Beulah Kincaid.

In recognition of more than 100 years of graduates from Texas Woman’s University, Texas State College for Women, College of Industrial Arts and the Girls Industrial College of Texas, the TWU Former Students Association will honor one student who is a *recipient of any TWU scholarship*. The criteria for selection of this student are chosen from leadership skills exhibited by Beulah Kincaid: 1.) Lead in supporting the FSA’s activities, 2.) Work to carry out the university’s mission, 3) Provide service to the FSA. Documentation of these criteria must be included.

Selection Committee:

- President of the FSA
- Representing Outstanding Student Committee
- Chair FSA Scholarship Committee
