Alumni Newsletter

April 2018

Another season is coming to a close. This marks the 11th year we have been in the “new” Redbud Theatre which is as baffling to me as it probably is to many of you. I hope that most of you will be able to come to our final production of the season, *The Skin of Our Teeth* by Thornton Wilder. Debuting in 1942, the play still speaks in resonant terms of the world and its hazards today with as strong a voice as it had then. Also, please, read page two of the newsletter to discover next year’s season. The rest of the community will have to wait until *Skin of our Teeth* when we make the announcement public. Finally, we have our Music Theatre Certificate cabaret showcase at the end of the month. I hope to see you there.
