# WELCOME TO FAMILY WEEKEND 2018

## Dear TWU Families,

It is my pleasure to welcome you to Family Weekend 2018 at Texas Woman's. We are pleased you are taking this opportunity to visit our beautiful campus and to further understand our wonderful traditions, rich heritage and distinctive position as the nation's largest university primarily for women.

We hope that you will be able to join us for all of the weekend's activities. We've been encouraged by the positive response and rapid growth in participation because your involvement in students' experience supports success. It is always a wonderful celebration of what it means to be a part of the Texas Woman's family, and we anticipate this year will be just as engaging.

We believe that Texas Woman's is an extraordinary place and can assure you that our faculty and staff genuinely care about the wellbeing of our students. We share a deep concern for the experiences of our students and for the superb quality of education offered at this university. Please do not hesitate to ask any of our faculty and staff for assistance in how we can meet any of your needs over the next three days.

## WELCOME TO DENTON; WELCOME TO OUR CAMPUS; AND WELCOME TO THE PIONEER FAMILY.
