I understand this is not an actual loan application, but the financial information will be used to certify an actual Parent Loan. I understand that if I am approved to receive a Parent Loan I must complete a Federal Direct Parent Loan Promissory Note before loan funds can be released to the school. For each loan that I request, I authorize the U.S. Department of Education to investigate my credit record and report information about my loan status to persons and organizations permitted by law to receive that information. **I understand that I am not obligated to borrow these funds and can terminate this loan up to 14 days after disbursement by providing the SFA Office with a written statement. Termination of the Parent Loan makes the student immediately liable for any outstanding University charges.** I certify that I will use any money that I receive under Title IV student financial aid programs only for expenses related to attendance at Texas Woman's University. I acknowledge and give authority to the University to apply all funds from the PLUS loan to the university account of the student indicated on #2 for payment of all current year indebtedness owed to the University. I authorize Texas Woman's University to issue any credit balance refund to the student listed above.
