Phi Alpha Theta Eta Nu
Fall 2015- Spring 2016

FACULTY ADVISOR

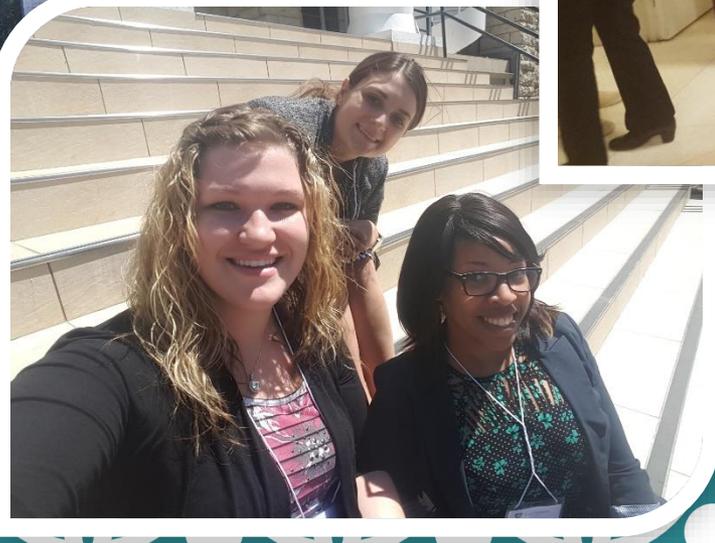

The officers of the Eta Nu Chapter of Phi Alpha Theta want to thank Dr. Jacob Blosser for all he does to help the chapter in all of our endeavors. The fun the chapter had and the many strides made this past year would not have been possible without his dedication to his students and Phi Alpha Theta.

Thank you,

The 2015-2016 Eta Nu officers

A NOTE ON THIS YEAR'S CHAPTER THEME:

SERVING OUR COMMUNITY

This year, the Eta Nu Chapter of Phi Alpha Theta took an active role in serving our larger community. In addition to publishing our student journal and hosting history-themed events such as tea-time lectures and fieldtrips, the chapter also reached out to help those in need. For example, we donated history books to a local elementary school and volunteered time to read to students. We also raised money for the American Heart Association and walked in the Heart Walk. Realizing that preschool curricula often omits history, chapter members hosted an interactive “History Field Day” that introduced the past – through hands-on activities – to a large group of four and five year olds. Desiring to extend Phi Alpha Theta’s reach into our neighboring junior colleges, Eta Nu sponsored an essay contest for local Community College students.

We are proud of our chapter’s many accomplishments – but especially pleased with this year’s intensive service to our community. In the slides that follow we hope that you will see how much fun we had helping others.

SERVING OUR COMMUNITY: HEART WALK

Phi Alpha Theta members came together to raise more than \$500 for the American Heart Association. Members also walked to show support.

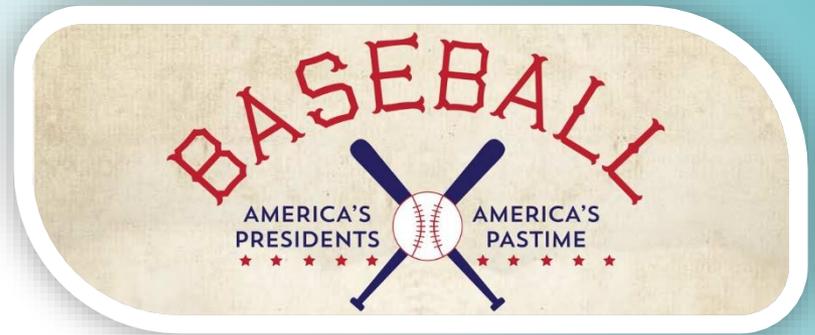

TEA TIME LECTURE SERIES FALL LECTURE

This year, the chapter hosted a popular tea-time lecture series at the Chestnut Tree Tearoom. This fall, members had the opportunity to hear Professor Timothy Hoyer discuss Japanese history and culture over tea. Pictured here are Dr. Hoyer and some of the Phi Alpha Theta members who attended his lecture.

FALL FIELD TRIP: BASEBALL EXHIBIT

The Eta Nu Chapter took a trip to the George W. Bush Presidential Library at Southern Methodist University and toured the Baseball and the American Presidency exhibit on October 2nd. The exhibit explored the role America's pastime has played in presidential history.

SERVING OUR COMMUNITY: HISTORY FIELD DAY

This year, the chapter hosted an interactive History Field Day for local pre-schoolers. The children experienced history hands-on through dressing up in historical costumes, listening to stories from the past, making arts and crafts, digging in a sandbox archeological pit, and taking an “eye spy” adventure walk through campus. This exciting event gave Phi Alpha Theta members the opportunity to share their passion for history with the community!

Each class spent the week learning about a different nation and the books donated corresponded with those countries.
