

THE PAULINE BISHOP LEMAN MEMORIAL AWARD
Deadline for Nominations: February 15, 2019

A beautiful bronze memorial plaque was presented to the Texas Woman's University during the Commencement of 1930 by Mr. Brooks W. Leman of Chicago. This gift was made in memory of his wife, Pauline Bishop Leman, a graduate of Texas Woman's University. This plaque has been assigned a place in the portico of Old Main to the right of the main entrance.

In keeping with the wishes of Mr. Leman, this memorial carries with it an annual award to the graduating senior or master's student who has made "**the most outstanding artistic achievement**" during the school year. The student thus designated will have her/his name placed upon a bronze plate at the base of the plaque and will receive a small plaque featuring a medallion of Mrs. Leman as well as a scholarship of \$1,000, to be applied toward graduate education in the TWU Graduate School within 3 years of receiving the award. Awards have been given to students of varied majors for their creative ability and accomplishments in art, poetry and short stories, dramatic roles, music, dance, fashion design, photography, and other artistic and creative contributions.

The following general rules guide the selection of the recipient for this award by the Leman Awards Committee:

1. All TWU seniors or master's students scheduled to graduate in May 2019, August 2019, or December 2019 are eligible to receive the Pauline Bishop Leman Memorial Award.
2. Not more than three students shall be nominated by any one academic unit.
3. The annual award is made for "outstanding artistic contribution" rather than for excellence of the student's general scholastic record.
4. The student must be nominated by an academic component. The academic component leader submits a letter which includes the following:
 - The student's name, Colleague ID, major, level, and email address
 - A clear and complete explanation of how the student's work constitutes "outstanding artistic contribution"
 - Attachments which illustrate the artistic contribution (photographs, programs, portfolio, etc.)
5. The deadline for receipt of the nomination letter and attachments in the Office of the Executive Vice Provost (ACT 13) is **Friday, February 15, 2019**.
