

Call for Uhlir Endowed Fellowship Applications: Due Wednesday, February 22, 2017

The Dr. G. Ann Uhlir Endowed Fellowship for Higher Education Administration was created to provide an opportunity for a TWU academic administrator, faculty member, or graduate student to gain a better understanding of leadership in order to prepare her or him for a higher level of administration. Interpersonal growth and self-discovery are areas which Dr. Uhlir felt are vital to leadership development.

Please complete the attached application and return to the Office of the Senior Associate Provost (osap@twu.edu) by **Wednesday, February 22, 2017**. Please call the Office of the Senior Associate Provost with any questions concerning the application (81-3500).

The \$1,000 fellowship award may be used for development activities completed during the Summer 2017, Fall 2017, or Spring 2018 terms. The fellowship is not intended to fund conferences, seminars, or workshops that are content-oriented (e.g., legal issues, faculty evaluations, budget development, scheduling, etc.), though these topics may be part of a broader program offering on leadership development which has a primary focus on self-awareness and self-development.

Last year's winners were Dr. Sita Periathiruvadi, Director of Research Data and Library Assessment, who attended the Leadership Pipeline Program offered by Leadership Women in Dallas and Dr. Sarah McMahan who attended the Texas Women in Higher Education Conference. Congratulations to Drs. Periathiruvadi and McMahan for their leadership development!
