NEW CHARTERED STUDENT ORGANIZATION APPLICATION INSTRUCTIONS

This application is for NEW student organizations only.

Texas Woman's University Center for Student Development, Student Center 135
(940) 898-3626

Any person interested in starting a new organization should stop by the Center for Student Development and make an appointment with the advisor to the Student Organizations Council to discuss the proposed student organization which will cover the following questions before applying for a charter.

- Is there a group of TWU community members committed to this idea? How long will interest last?
- Is there an existing organization that would fill this need of which these community members could become a part? Many organizations are open to new ideas and suggestions for new programs. Would the idea fit into a preexisting organization?
- Will this organization be able to find others who have an interest to carry it beyond the present? Are all of the interested students seniors? Will graduation "wipe out" the group?
- Have the interested students given thought to some of the organizational goals and objectives? Have ideas been discussed about specific programs and activities? Planning now will help answer the questions necessary to apply for a charter as well as to get the group members to think about which category the organization will want to be included in at the appropriate time.
- What role will this organization play on campus and/or in the community? The purpose of the group needs to be well defined both for the charter application and for the organization's own planning and recruiting.

If after discussing these questions with the persons interested in starting the organization and the Student Organizations Council advisor and you are still committed to getting it off the ground, it is time to begin the application process for a charter. The procedure is administered by the Student Organizations Council with the assistance from the Center for Student Development.

1. After the meeting with the SOC advisor you can fill out the application that is located on the student organizations website. The application for a charter must include a constitution stating the purpose of the organization, the procedure for electing officers, meeting times, requirements for membership, and the means of financial support of the organization. Complete and return **two (2) copies** of the application to the Student Organizations Council/External Affairs mailbox at the Center for Development on the first floor of the Student Union. Applications are due no later than **2 weeks** before the next scheduled External Affairs hearing date.
2. If all of the required information is complete, the proposed student organization will be required to attend the External Affairs Committee hearing to present and explain the proposed student organization. The Student Organizations Council External Affairs Committee will contact the representative of the proposed student organization with a hearing date and time by e-mail. Hearing dates are pre-set and may occur up to one time per month August - November and January - April. The presentation must be limited to 6-7 minutes. The External Affairs Committee will notify the proposed student organization of its decision within one week of the hearing by e-mail.

Guidelines/Tips for a New Student Organization Presentation/Hearing:

- A student representative from the proposed student organization must attend and make a presentation to the committee. Advisors are encouraged to attend for support, but are not required to attend the hearing.
- The presentation to the External Affairs Committee should include the following: purpose and mission of the organization; membership requirements; procedures for electing/appointing officers; why students decided to charter the organization; how TWU will benefit from this organization; and how TWU students will benefit from this organization. The student representative does not have to pass out printed materials or a presentation outline, but may choose to include visual aids in the presentation.
- If a proposed student organization is unable to attend the scheduled hearing date, a student representative must contact the Advisor to the Student Organizations Council in the Center for Student Development within 48 hours of the hearing date to reschedule. The absence of notification will require that the proposed student organization resubmit their application for the next hearing date.
