

Lone Star College and Texas Woman's University

Program-to-Program Articulation Guide

Fall 2016

Bachelor of Science in Dental Hygiene

This curriculum is designed for students currently in the Dental Hygiene Program at Lone Star College in pursuit of an Associate of Applied Science in Dental Hygiene who wish to simultaneously pursue a Bachelor of Science in Dental Hygiene from Texas Woman's University. These courses have been designed to blend with and enhance the AAS-DH curriculum and allow decreased time necessary to the BSDH degree.

Additional Requirements include completion of the Texas core and completion of TWU graduation requirements.
